

# EPWORTH WORSHIP TOGETHER.

## This week's big idea

Wesley's  
rule for  
living-

Matthew 22:37-39 -  
*Love God, love  
your neighbour*

**Bible verse of the week**

## Exploring further

Think about how you will demonstrate 'Do All You Can' in school or at home...

Could you set yourself a challenge to focus on something new each week to 'Do all you can' in?

Can you think of a time where you have already followed Wesley's Rule? How did it make you feel?

## Prayer of the week

Dear God,

Thank you for this new day and the challenges we may face along the way. We commit this day, and every other day, to doing our best. Help us to remember that there is nothing we will face, that we can't handle. Help and guide us to do all we can, every day and in every place.

## This week's activity

Watch the video and discuss the questions in 'Exploring further'. On the feather template write an example of how you are going to demonstrate our trust motto of 'Do All You Can' or how you might have already shown this in the past and place these into your floor books. Maybe you could learn a new skill or sport?

## Explore further at home

To "do all you can," try activities that challenge you, like learning a new skill, playing a sport, or going on an adventure. You can also push your creative limits by making art, writing, or starting a blog. Maybe you could help with the house work at home.

For a deeper challenge, consider volunteering for a cause you care about or setting ambitious personal goals that can make a difference to your community, country or even the wider world!

## Quote of the week

All you can do is  
the best you can  
do.
