Exploring further

What promises have you made?

Are you part of an organisation like the Guides and Scouts that make promises and commitments?

Prayer of the week

Dear Lord

Thank you for our school and for giving us the chance to learn.

Thank you for helping us to reach our goals.

Help us to look after each other and to treat each other fairly and equally, celebrating our differences.

Amen

This week's activity

Make a mind map of things you are happy with about what you do in your life. This could include school, friends at school, music lessons in school or playing football on Saturday mornings. Add to your mind map anything you would like to do better or more off. Perhaps things like I would like to run faster so I will practice at playtimes. I will read a bit more at home or in school. Share this with a friend.

Ask members of your family if they have made any new year's resolution. Ask them if they think you should make some and how they could help.

Quote of the week

Approach the New Year with resolve to find the opportunities hidden in each new day.
