

EPWORTH WORSHIP TOGETHER,

This week's big idea

Collaboration

Bible verse of the week

Exploring further

- Why was it important that the people worked together to rebuild the wall in Nehemiah 4:6?
- How does working as a team help us do big or difficult tasks?
- What are some ways we can show trust and help others when we are working together?

Prayer of the week

Dear God, thank you for teaching us the importance of working together. Help us to be kind, helpful, and supportive members of our school community.

Teach us to listen to others and to share our ideas with confidence.

Lord, help us to use our different gifts to work as a team. When things feel difficult, remind us that we are stronger together. Bless our school so that we can grow in friendship and unity every day. Amen.

Pass the Message Game: Children pass a short message around the circle and see how well they can work together to keep it accurate, showing the importance of trust and communication.
