Habits for learning

Moving Around School	Showing Respect	Taking Pride	Breaktime and Dinner Time	Positive Interactions	Learning Time
Walk on the left. Move around quietly. Look in the direction of travel. Line up in single file. Always accompanied by an adult when moving as a class. Pupil at the front of the line holds the door open for the class. Carry snacks to the playground instead of eating on corridors.	Pick items up from the floor. Hold doors open. Demonstrate good manners. Say thank you. Allow others to pass on corridors (give way). Respond to the Clap-Response signal straight away. Follow the 1-2-3 movement signals for all transitions.	Wear your uniform with pride. Look after books and belongings. Hang coat and bag on peg. Store lunchboxes neatly in the correct tubs. Resources away and chair under table before leaving the room. Be a positive role model. Take ownership of the Habits for Learning.	Line up quietly, in a single file line, facing forward when collecting lunch. Collect your drink before you sit down at your table. Eat quietly having conversations on your table. Stay seated whilst eating until directed by an adult to move. Tidy up your own plates. No food to be dropped on the floor. Use reflection area quietly and respectfully. Engage in games with playleaders. Play in your designated zone.	Make eye contact with adults. Say 'good morning' or 'good afternoon.' Say 'please' and 'thank you' when asking for something. Listen when others are speaking and wait your turn to respond. Use kind words.	Sit up straight following correct seating position model. Speak at appropriate volumes. Raise your hand to show you would like to speak. Have the same high expectations with all adults that teach you.

Behaviour

Rules

Attendance and Punctuality

We want all our children to attend like stars- be in everyday and on time.

We believe that children must 'Attend to Achieve' - excellent attendance has a direct impact on attainment.

Parental Role in Attendance

- ▶ The parental role in ensuring children attend school daily is key, and as such, we expect parents to fulfil their legal responsibility to ensure their child has good time keeping and attendance.
- ▶ **This means your child must attend, on time, every day that the school is open**, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence, in advance, from school. When children cannot attend school, we expect parents to report the absence as soon as possible and no later than 8.50am which is when registration closes to the school office.

Attendance and Punctuality Rewards

Each term we will be holding termly 100% awards.

A child may not receive the award every term but hopefully they can get 1 or 2.

Autumn's reward is a chocolate treat party in December!

Weekly Awards:

Class attendance award - highest wins extra break

Class with best punctuality and least lates- wins Golden Time

Healthy Schools

At Nutgrove, we encourage our children to make positive food choices early on in order that they develop positive attitudes for life. As part of this, we talk about healthy eating regularly in class through the Science and RSHE curriculum and how food can help or hinder us being 'Ready' for our learning. We acknowledge the important connection between a healthy diet and a pupil's ability to learn effectively and achieve high standards in school.

To clarify our rules for packed lunches, they can include anything so long as there are no:

- Fizzy drinks
- Sweets and chocolate bars

Please note that:

- Cakes and biscuits are allowed – but only one of these per day.
- Crisps should be limited across the week to support a healthy balance
- Fruit and vegetables should be encouraged wherever possible.

We have shared the motto, '**No chocolate or sweets – save these as a special treat!**' with the children. If sweets or chocolate are packed, staff will ask pupils to leave them unopened and either speak to the parents concerned or send a note home in the child's lunchbox as these are not allowed.

Order dinners before school at home. This ensures you and your child know what they are eating and they like it. Ensure no missed learning time.

Healthy Schools - Water Bottles

Children need their own filled water bottle each day which needs to be taken home every day, to be cleaned and filled with fresh water only, daily. If your child has a medical condition which makes impacts this, please speak to us as we will listen.

Thank you for your continued support in helping the children make healthy choices.

Healthy Schools - Snacks for break time

We want to keep our children as healthy as possible so the following snacks can be sent in for breaktime:

- Fruit
- Vegetables
- Yogurts
- Bread sticks
- Croissants
- Humous
- Cereal bars – containing NO nuts please
- Crackers
- Raisins
- Dried fruit

The following snacks are not allowed:

- Sweets
- Chocolate bars
- Cakes
- Biscuits
- Crisps

Nutgrove is nut free!

A reminder to all parents and carers that **we are a nut-free school.**

Some children have serious nut allergies, and even contact with or being near nut products can cause a severe allergic reaction.

Please ensure that **all food brought into school**, including packed lunches, snacks and birthday cakes, is **completely nut-free.**

Any food brought in for birthdays and handed out will only be consumed at home with parents permission.

Thank you for helping us keep everyone in our school community safe.
