THIS WEEK'S BIG QUESTION

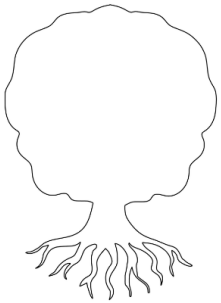

How do I grow strong roots?

BIBLE VERSE OF THE WEEK

EXPLORING TOGETHER

Think about your own strong roots. Who supports you to help you flourish and improve? Draw your own tree or use this template and add the people who make you strong to the roots.

THIS WEEK'S PRAYER

Dear God,
Thank you for helping us flourish like trees planted near water.
Help us to grow strong roots by making wise choices.
Let us all use our strong roots to live in hope and improve every day.
Amen

FLOURISHING AT HOME

In your garden or in the local area, look at how plants use their strong roots to grow and flourish. Can you challenge yourself to grow something from a seed this year?

THIS WEEK'S FLOURISHING CHALLENGE

Help those around you to flourish this week.

Make wise choices and be hopeful so that you can flourish and improve in everything that you do. Set yourself a challenge for what you would like to improve.
