2. Then insert your child's username and password. Click 'Log In'.

3. You will be directed to your child's home screen.

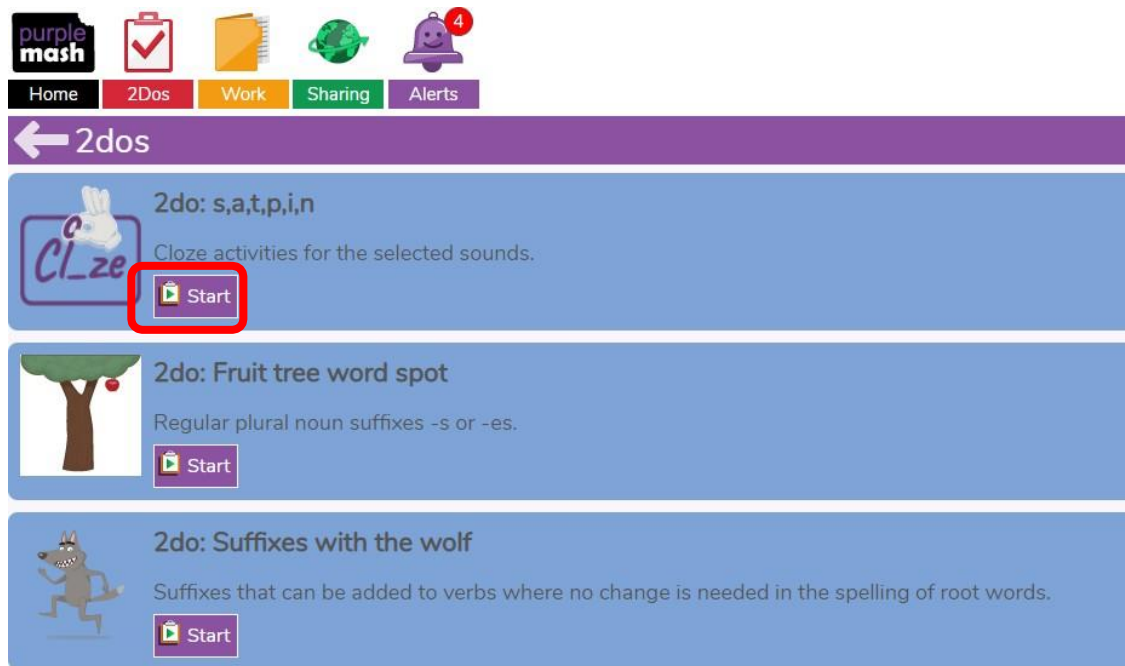

The screenshot shows the Purple Mash home interface. At the top left, there's a navigation bar with icons for Home, 2Dos, Work, Sharing, and Alerts. The main area is a grid of activity tiles: Tools (with a keyboard and 'launch when clicked'), Games (with green blocks and a red ball), Mini Mash (with the 'mini mash' logo), and Serial Mash (with a book icon and 'Premium' tag). Below these are subject tiles for English (with 'abc'), Mathematics (with '123'), Science (with a flask), Computing (with a laptop), Art (with a palette), and Topics (with a collage). On the right, there's a sidebar with 'Your child's name' and a 'logout' button. Below that, there are featured activity cards: 'Busy Beats' (music) and 'Black History Month' (with 'NEW RESOURCES' and 'BLACK HISTORY MONTH' text).

How to access work set by your child's teacher

All work set by your child's teacher can be found by clicking the 2Do tab at the top of the webpage.

You will then see all the activities set by the teacher and they can press 'start' to begin.

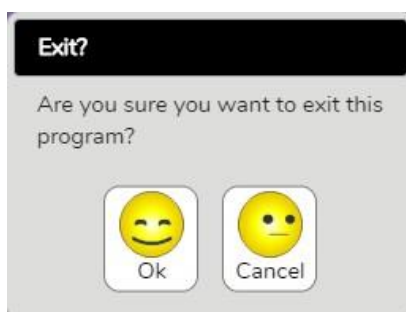

Then select play and allow your child to do the activity.

If at any time you need to end an activity. Click the arrow in the top right hand corner.

You will then see this message.

Click ok to exit.
