

Foundation Stage Catch Up

Friday 10th September 2021

Dear Parents/Carers

Welcome to the first Foundation Stage Weekly Catch up. We have had a great week in EYFS and the children have behaved well and settled into school life really quickly. This week has been about us getting to know the children and them getting to know us, each other and our learning environment. They have enjoyed exploring our EYFS area, both indoors and outdoors. We have also had the opportunity to look around the whole school and meet the other classes and staff.

Could we ask all of the children to bring in a photograph of themselves with their family. We have a family corner in our undercover area and we would like to put all of the photographs in that area so the children can enjoy spending time talking about their families in there. We would also be grateful of a baby photograph of your child. We are starting a topic on 'Marvellous Me' and want the children to talk about how they have grown and changed since they were a baby.

Please will you ensure that all items of clothing (especially jumpers and cardigans) and water bottles are named. It makes it much easier to return items to the correct child when we know who things belong to. Please check labels regularly to make sure names have not come out.

From now on this catch up will be on Tapestry. You have received a Tapestry letter today, please get these back to us as soon as possible so that we can get you set up. Tapestry will be a great way for us to share news, give information and make requests, so once you are set up please remember to check it regularly.

There is a whole school newsletter which goes onto the school website each Friday. This is a great way to keep up to date with what is going on in school and any dates for the diary, so do please take a look at that each week. You will also find a curriculum overview for this half term on the website and a welcome letter with some helpful information on.

Finally can we take this opportunity to welcome you to the Nutgrove Family. We are looking forward to sharing your child's primary school journey with you.

Thank you for your support.

Mrs Ridgway and Mrs Storey
