

Objectives I can...

- Interpret an object through collage
- Apply a range of different kinds of media to embellish and add details on their collage and explain what effect this has
- Make a simple mosaic, selecting materials with thought, considering shape, content, surface and texture.

Sticky knowledge

- Collage is an art technique that involves mixing and using different materials to make a picture.
- The word collage originates from the French word 'coller', meaning to glue.
- Collages can be made from a variety of media and by layering, folding, crumpling, fringing, creasing and tearing materials.
- Henri Matisse is a famous French artist and painter well known for his creative collages using brightly painted pieces of paper.
- Eloise Renouf is an artist, designer and illustrator from the UK whose designs adorn fabric and printed textiles for homewares and greeting cards. She designs all sorts of nature-inspired patterns: from flowers, trees, clouds, birds and leaves. Her overlapping trees use circles, ovals and roundish shapes or round cornered squares!
