

Year 4's prayer about love

Dear Lord,

Love is like a paradise. It makes us feel warm inside and brings us joy.

Please help us to love all the people who care for us like our families, friends and you in the way that we want to be loved by them.

Please help us to share our love by showing others respect, giving to those who need help, like the people in Ukraine, and by bringing others happiness.

Please help us all to love and take care of ourselves and share your love to everyone who needs it.

Amen
